# SHUDIM THE SHOCK ABSORPTION MATERIAL

GLUE-U.COM

Glue-U Adhesives is a Dutch company making innovative products for farriers and horses since 2006. Following our philosophy **“TOGETHER WE TAKE CARE OF YOUR HORSE”** we designed special adhesives to glue any kind of horseshoes, acid free silicones and very fast urethane pads for any purpose. All Glue-U products are Dutch engineered and manufactured both in Europe and USA: same quality, same performance.

**“LIGHTWEIGHT  
SOLUTIONS, HEAVY  
ON PERFORMANCE  
- ELEVATING HOOF  
CARE EXCELLENCE.”**

# WHAT IS SHUDIM?

## INTRODUCTION

Explore the benefits of Shudim in our ebook. Learn how this lightweight impression material provides effective shock absorption and protection. Discover its easy mix and shape features, available in standard and ultra-light Shudim Air options. Understand its non-irritating, chemical-free composition, and get insights on optimizing performance. Simplify your hoof care with Shudim – straightforward and effective.

# FEATURES

## ALL ABOUT SHUDIM

Lightweight impression material for shock absorption and protection. Easily mixable and shapeable by hand.

Standard SHUDIM available in 2x660gr / 2x1.5lb or 2x2.5kg / 2x5.5lb and durometers A15 (blue) - A25 (pink) - A35 (green). The ultra light SHUDIM Air is available in 2100 cc in durometer A20 and weighs 35% less than any standard impression material in the industry.

SHUDIM is a non irritating product. Easy to cut which makes it applicable in many situations. SHUDIM does not contain acids or chemicals. Temperature and humidity may affect the performance of this product. Heating up SHUDIM before use speeds up setting time significantly.

Key Features across the range:

- Lightweight impression material for shock absorption and protection.
- Easily mixable and shapeable by hand.
- Non-irritating and easy to cut, suitable for various situations.
- Does not contain acids or chemicals, making it suitable to support wound treatment.
- Temperature and humidity may affect performance, but heating up SHUDIM before use significantly speeds up setting time.

Choose Shudim for a range of effective hoof care solutions, tailored to meet different needs with consistent reliability.
